Council Thoughts • Summer 2011

Westminster's Mayor and City Council are pleased to introduce our new City Manager Mitch Waller. Mitch is well known in our community since he became a member of the Westminster Police Department in 1984 and worked his way up through the ranks to become Police Chief in 2010. Born and raised in Dallas, Texas, Mitch was active in the Boys Scouts throughout his youth. He earned a Bachelor's degree from the University of California, San Diego, a Juris Doctorate degree from the Chapman University School of Law, and is a graduate of the FBI National Academy.

After serving as Interim for three months, he was appointed City Manager in March of this year. Mitch and his wife, Sally, devote much of their free time supporting their children's athletic activities since both of their children are gifted athletes. Their son is 15 years old and a Capistrano Valley High School freshman where he runs track. Their 13 year old daughter plays third base for the American Athletics "Travel Ball" softball team. Much of their family travel revolves around softball competitions throughout the country with Mitch also coaching the team.

After Mitch was appointed City Manager, we were fortunate to have another outstanding long term employee available to take command of the Police Department. Captain Ron Coopman, who joined the police department in 1985, was named Westminster's 10th Chief of Police after having served as a Police Captain for seven years. Chief Coopman was born and raised in Westminster and was part of Ocean View High School's first graduating class. He went on to earn a Master's Degree in Public Administration from California State University, Long Beach. Ron and his wife, Dorothy, have two children. An avid baseball fan, Ron enjoys watching their son play first base on his college team. Their daughter is an Associate Producer of a Hollywood television program. A devoted family man, Ron coached his children's sports teams until they entered high school. Chief Coopman says he looks forward to continuing to serve the citizens of Westminster in maintaining the excellent level of service provided by the Westminster Police Department.

We are proud to have men of Mitch and Ron's caliber in two of the city's key leadership positions.
